

Model N

Model N's Customer Education Learning Libraries Service

Customer Education Learning Library

Model N's Customer Education Learning Library provides a custom, scalable, on-demand education service aligned with your software subscription to drive adoption and use of your Model N software.

Key capabilities

- Comprehensive, relevant educational content delivered via a Learning Library portal
- Custom curriculum development with unique tracks for different roles
- Orientation training for portal administrators
- Capability to brand the portal with company logo and colors

Benefits

- Better implementations from increased knowledge and preparedness
- Decreased time to value from accelerated adoption and engagement
- Ability to onboard new users at any time
- Eliminate travel costs for in-person training
- Easily stay current on the latest Model N solution capabilities
- Address learning needs of all user roles on an ongoing basis
